

Town of Bluffton

20 Bridge St, PO Box 386 Bluffton, SC 29910

Required Documentation Prior to Inspection

USE THIS SHEET TO TRACK YOUR DOCUMENT SUBMITTALS

This list is a guide to the documentation required at each inspection depending on your construction. Except where originals are noted, documentation can be received in person in our office, by email to GrowthManagementCS@townofbluffton.com, by fax at 843-706-4518 or by postal service. Inspections will not be conducted without the required paperwork in our files. Submit your documentation PRIOR to requesting the inspection. A permit number must be on the documents submitted.
