

TOWN COUNCIL

STAFF REPORT EXECUTIVE DEPARTMENT

MEETING DATE:	October 11, 2016
PROJECT:	Ordinance Approving and Adopting the Recodification of the Code of Ordinances for the Town of Bluffton, South Carolina – First Reading
PROJECT MANAGER:	Terry Finger, Town Attorney

RECOMMENDATION: Town Council approve First Reading of the Ordinance Approving and Adopting the Recodification of the Code of Ordinances (The Code) for the Town of Bluffton, South Carolina.

BACKGROUND: The Town Council adopted The Code for the Town of Bluffton in 1973. Since then, the Town has adopted three recodifications of The Code in 1982, 1999 and 2009. The process of recodification is essentially a careful editing of the code to bring it in line with State law; remove inconsistencies and obsolete provisions; and to incorporate new ordinances passed since 2009.

INTRODUCTION: Typically, recodification occurs once every 10 years. However, due to the rapid growth of the Town and the resulting increase in the number of ordinances adopted, the Town determined that it is in its best interest to move forward with an early recodification. The Town of Bluffton contracted with Municipal Code Corporation (Municode) on July 30, 2015 to recodify The Code. This recodification will incorporate 114 new or amended ordinances since 2009. The draft recodification was reviewed by Town Staff and final document was review by the Attorney to Town Council.

Moving forward, the Town will follow Municode’s recommendation to provide supplemental updates to The Code every 6 to 12 months which will incorporate new ordinances between formal recodifications.

The Code is an administrative tool of the Town and is also readily accessible to all citizens via the Town of Bluffton’s website. An official copy of The Code is also maintained in the Office of the Town Clerk.

NEXT STEPS: Pending Town Council’s approval of First Reading, the draft recodification of the Code will be presented for Public Hearing and Second and Final Reading at the November 8, 2016 Town Council meeting.
