From G. Hayward

To the First Responders of Bluffton:

On Friday morning, Feb. 20, my house at 130 Pritchard Street in Old Town Bluffton had a chimney fire. On behalf of my wife, William, and myself I would like to thank the firefighters, F.M.T.s, and Bluffton law enforcement officers who responded. Their prompt and professional response prevented a problem from becoming a personal disaster.

I was impressed with the care that was exercised bringing the situation under control that limited the negative effects upon the house and its contents.

Thank you all for a job well done!

Dear Lt. Chandler and Officer Branson,

Thank you so much for the interesting and informative visit to the Bluffton Police Dept.

We all enjoyed it very much and learned a lot. One of the girls even said that maybe she'd like to be a police officer one day!

This visit was the perfect compliment to our community studies. Thank you for the valuable opportunity to learn and for all you do to keep our town safe and happy.

Sincerely,
Cris Richardson
