Bluffton Parkway Fatal Accident Investigation

Who:

Bluffton Police Department Collision Reconstruction Unit

What:

Fatal Accident

Where:

Bluffton Parkway eastbound

When:

August 27, 2016

Bluffton Police are investigating an early-morning fatal vehicle accident that occurred on Bluffton Parkway eastbound just past the entrance to the Hampton Lake subdivision.

Around 2:45 a.m., police responded to a one-vehicle accident with two people inside. The driver lost control of the vehicle causing it to run off Bluffton Parkway into nearby woods. One occupant was transported to the hospital. The other occupant was deceased when police arrived on the scene.

The Bluffton Police Collision Reconstruction Unit was called to the scene where they began an investigation into the cause of the crash. A section of Bluffton Parkway EB was closed for several hours while the initial investigation took place. The road is back open. At this hour, the investigation continues.

The Beaufort County Coroner will be able to release the identity of the deceased pending family notification.
