Town of Bluffton to Continue Installing Sidewalks in Buck Island – Simmonsville Community

The Town of Bluffton will install approximately 1000-linear feet of sidewalk on Buck Island Road from the intersection of Simmonsville Road/Buck Island Road to Kitty Road. The sidewalk will be five-feet wide.

The Town is scheduled to award the contract in early July. Work is scheduled to begin by July 15 and be completed by late August, 2017.

During construction, there may be brief times which traffic is reduced to one lane on Buck Island Road to allow equipment to enter and exit the construction site. The contractor will coordinate with the residents within the construction site to ensure access to their homes.

If you have any questions about this project, please call the Town's Director of Engineering Bryan McIlwee at (email) [bmcilwee@townofbluffton.com](mailto:bmcilwee@townofbluffton.com) or (office) 843-706-7824.
