Refuse Disposal Plan

You are required to dispose of all construction waste in accordance with related local, state, and federal regulations.

Permit Number:

Site Debris:

- 1. It shall be the responsibility of the permit holder to clean up and remove all construction debris as well as other related material or organic materials prior to receiving a final inspection approval.*
- 2. Waste shall be contained in such a manner as to prevent contamination of any adjacent property by any means.*

Hurricane Protection:

- 1. No permit holder shall allow construction related materials to remain loose or unsecured at a site from 24 hours after a hurricane watch has been issued until the hurricane watch/warning has been lifted. Materials shall be removed from the site or secured in such a manner as to minimize the danger of such materials causing damage to persons or property from weather emergencies.*
- 2. Failure to comply with this section will subject the permit holder to fines in accordance with the Town of Bluffton Municipal Code.*
