

Bluffton Police Department

DATE: February 5, 2019
RELEASE NUMBER: 19-04

Community-Policing Survey

The Bluffton Police Department strives each day to improve its services to the community. In order to do this, we need to hear from you. Please take a moment to fill out the community survey on public safety and law enforcement at <https://www.surveymonkey.com/r/BlufftonCommunity>, or download the QR code. It will only take a few moments of your time and will remain completely anonymous.

The survey assesses the six pillars of the President's Task Force on 21st Century Policing:

- Building Trust and Legitimacy
- Policy and Oversight
- Technology and Social Media
- Community Policing and Crime Reduction
- Officer Training and Education
- Officer Safety and Wellness.

The survey additionally asks for feedback in the areas of the Bluffton Police Department's strengths, weaknesses, opportunities, and threats.

"This survey is to make sure we are serving the community and our citizens the way they expect us. We want the public to provide feedback, so we know what they are thinking and what they want us to improve on," said Bluffton Police Chief Chris Chapmond.

Throughout your daily life, you may come in contact with different law enforcement agencies, but please answer the questions thinking of only the Bluffton Police Department. Please indicate your response to each item by selecting the appropriate answer based on your feelings, opinions, and experiences. You may skip any survey items you do not feel comfortable responding to or know how to answer, but we encourage you to respond to as many items as possible. This is not a test, and there are no right or wrong answers. Please answer each question honestly.
