Update: Construction of 68 Boundary Street Park
Upcoming Partial Lawrence Street Closings/Week of July 22

Construction of the Town's Park at 68 Boundary Street is underway, and a partial closure of Lawrence Street is scheduled for the week of July 22. This closure will enable workers to trench through the asphalt to remove an abandoned sewer pipe. The Boundary Street Park will provide approximately 60 new parking spaces, public restrooms and open space for community events.

This partial closure will only affect the section of Lawrence Street from Calhoun Street to Boundary Street, which is adjacent to the DuBois Park. If possible, one lane will remain open, so drivers can still access this portion of the street. However, there is a possibility that both lanes will be closed.

Local businesses on Lawrence Street and DuBois Park can be accessed via Calhoun Street. Those wanting to use DuBois Park are encouraged to park on Lawton, Boundary or Calhoun Streets.

Efforts will be made to complete this work prior to Thursday's Farmers Market. Watch for signs and work crew members during this construction period.

If you have any questions about this project, please call the Town's Director of Engineering Bryan McIlwee at (email) bmcilwee@townofbluffton.com or (office) 843-706-7824.
