Bulk and White Goods Item Collection Service

Bluffton residents will now have a convenient collection option for bulk and white good items. Beginning July 6, bulk services must be scheduled in advance by calling Waste Management Customer Service at (888) 964-9730 or by email at southatlantic-cs@wm.com. The \$25 charge per bulk item must be prepaid by the resident when the pickup is scheduled.

Bulk Items or White Goods typically include:

- Furniture – tables, chairs
- Appliances such as washing machines and dryers– note that appliance doors must be removed and appliances must be certified as being free of Freon
- Mattresses, box springs and cloth furniture. All must be wrapped in plastic with duct tape to ensure the safety of our drivers

Non-acceptable Waste or Bulk Items:

- Anti-freeze, car parts, tires, gasoline
- Dirt, gravel, rocks, stones & sod
- Electronics
- Lawn mowers
- Batteries
- Concrete and cement (in any form, bricks and roofing shingles)
- Propane tanks

All non-acceptable waste, bulk items or white goods will be tagged and left at the curb.

Town of Bluffton

REVISED RECYCLING COLLECTION SCHEDULE FOR SPECIFIC NEIGHBORHOODS BEGINS 9/28/2020

See the back panel to determine if your Recycling collection day and every-other-week pickup has changed.

Trash pickup will continue to be weekly and your collection day remains the same.

Dear Town of Bluffton Resident,

The response to Bluffton's new recycling program with the 96-gallon recycling cart has been amazing. We're excited to see more residents participating and recycling right! To ensure timely service, we have modified our collection routes to accommodate more residents recycling. Your trash collection will continue to be weekly on the same day it currently is.

Please see the REVISED Recycling Collection Schedule by Neighborhood on the back panel to determine your new recycling collection day and whether your recycling will be picked up on a Green or Gold week. **These changes will go into effect the week beginning Monday, September 28, 2020.**

Thank you for your patience as we work hard to help Bluffton stay clean and green.

Waste Management Team

Waste Management is now using CNG Trucks in Bluffton which run on compressed natural gas and are quieter and produce less greenhouse gas emissions than diesel.

Automated Waste Collection

Waste Management will be moving to all automated collection trucks for waste and recycling. These trucks use technology to create a safer and more efficient collection system for residents and drivers. Beginning July 6, all waste and recyclables must be placed in the waste or recycling cart provided by Waste Management and taken to the street for pickup. No additional waste or recycling bags can be placed outside the cart. To ensure that the automatic arms can lift the carts, please make sure your carts are at least 3 feet apart and away from other objects like parked cars, mailboxes and trees.

New Recycling Cart Delivery

A green 96-gallon recycling cart with a yellow lid will be delivered to each service account prior to July 6, 2020. The cart will be delivered to the street-side of your home. If you need an additional waste or recycling cart, please contact Waste Management (888) 964-9730 or by email at southatlantic-cs@wm.com to request an additional cart which will be billed directly to you.

What should you do with your current 18-gallon recycling bin?

Waste Management encourages you to keep and reuse your current 18-gallon recycling bin. Use it in the kitchen or office to collect recyclables and then transport them to your new 96-gallon recycling cart for collection.

Waste and Recycling Collection Guidelines

Residential waste collection has not changed – it will still occur weekly on the same service day you have now. Beginning July 6, recycling collection will be every other week instead of weekly. Your recycling collection day may have changed, so please review the Collection Schedule and Calendar on the back of this brochure to learn your recycling day and whether your recycling will be collected on a Green or Gold week.

- Please place the trash and recycling cart at the street in front of your home the evening before your service day or at the curb by 7 a.m. on your service day.
- The automatic arms lift and empty the cart. No extra cans or bags may be placed outside carts for collection. Any materials left outside your trash or recycling cart will be tagged and left at the curb.
- Always keep the cart lid closed to keep animals and moisture out.

Important Cart Placement Information

Place your cart at least 3 feet away from all objects including your second cart, mailbox, car, or tree. The lid opening should face the street with the wheels of the cart facing your house.

Place wheels of cart toward house.

Keep space between carts and other objects.

Remove Your Cart After Collection

In order to help maintain the appearance of your neighborhood, please remove your cart promptly after it's been serviced. Be careful not to store your cart close to a furnace, fireplace, grill or other source of excessive heat.

Caring for Your Carts

The carts are designed for ease of maintenance. To clean, simply rinse with water from time to time and let it dry in sunlight with the lid open. Do not place paints, solvents, acids, gasoline, oil, hot ashes, exposed needles, sand, soil, rocks or concrete in your cart.

Questions?

Should you have questions regarding your service, please contact Customer Service Monday thru Friday 7:30 a.m. to 5:00 p.m. at (888) 964-9730 or by email at southatlantic-cs@wm.com.

RECYCLE RIGHT

Great things happen when Town of Bluffton residents use **Recycle Right**. By recycling everyday items like those shown below, tons of raw materials, time, energy and money are saved. To learn more visit wm.com/recyclerright.

- Place only the acceptable recyclables shown below together in your recycling cart.
- Containers that held food should be rinsed free of food debris and liquid.
- Do not bag your recyclables - empty recyclables directly into your recycling cart.

Recycling will be collected every other week:

✓ ALWAYS RECYCLE

Plastic Bottles & Containers

Food & Beverage Cans

Paper

Flattened Cardboard & Paperboard

Glass Bottles & Containers

✗ DO NOT INCLUDE IN YOUR MIXED RECYCLING CONTAINER

NO Food or Liquids

NO Foam Cups & Containers

NO Loose Plastic Bags, Bagged Recyclables or Film
Empty recyclables directly into your cart

NO Batteries – check local drop-off programs for proper disposal

NO Green Waste

NO Clothing, Furniture & Carpet
