

MINORITY AND DISADVANTAGE BUSINESS ENTERPRISES

The Town of Bluffton highly encourages submittals by small, minority and disadvantaged owned business enterprises (MDBE). Any identified MDBE will be offered a fair opportunity to fully participate in the overall selection and procurement process. To insure this is accomplished, the Town shall provide assistance to minority and / or disadvantage businesses with the procurement process.

Sourcing projects that are grant funded shall be in full compliance with the appropriate state or federal agency where minority and disadvantaged business engagement is required.

Requests by a MDBE can be submitted to:
